

INFORMATION NEW HOMEPAGE

Petro Welt Technologies AG – a new start with a new website.

Vienna, December 22, 2016

Today we announce the change to the company website, which is now www.pewete.com, has been entered into the commercial registry.

The new website provides more information about the PeWeTe Group; underlines the importance of technological services in the oil and gas industry. Special focus is given to procurement, Health and Safety and the Environment - the core values and main priorities for the coming years.

The company is increasing its transparency to its shareholders; from now on ratings from the leading International agency will be displayed on the website.

The new website underlines these changes and opens up a new chapter in the history of the company.
